### ALLEGED VIOLATIONS

The probation officer believes that the offender has violated the following condition(s) of supervision:

Violation No.   Nature of Noncompliance

**1.                    The defendant shall participate in a program of drug testing at the direction of the Probation Officer:**

Mr. Washington failed to report for random urine screens at the U.S. Probation Office, Nashville, Tennessee, on January 28, 2014, February 21, 2014, March 24, 2014, and April 9, 2014.

When questioned by this officer concerning the missed urine screens, Mr. Washington advised that he had been under the impression that this officer had removed him from the code-a-phone program due to his work schedule and that he would be called in for random urine screens. Mr. Washington and this officer had talked about his work schedule in the past concerning missed urine screens, as his work hours are from 7:00 a.m. to 4:30 p.m. daily. Mr. Washington was advised this officer had not removed him from the code-a-phone program. He was verbally reprimanded and reminded that he is to call daily.

**Compliance with Supervision Conditions and Prior Interventions:**

Jonathan Washington is a resident of Davidson County, Tennessee, and has been under the federal supervision of the U.S. Probation Office since November 26, 2013. He is employed with Nissan Corporation, Smyrna, Tennessee, and resides alone in Nashville. The probation officer completes frequent surprise home visits at the offender's residence.

Since his supervision began, Mr. Washington has submitted 47 urine screens, all of which have been negative for illicit substances except one which Mr. Washington admitted to using cocaine on January 19, 2012.

Mr. Washington's supervised release is due to expire on June 9, 2014.

**U.S. Probation Officer Recommendation:**

At this time, the probation officer is requesting that no additional action be taken by the Court. It is recommended Mr. Washington continue on supervised release and undergo increased monitoring by the probation officer. Any additional violations will be reported to the Court in a timely manner.

The U. S. Attorney's Office has been advised of the offender's noncompliance.
